Volume 63 Number 6  
President's Message

Warmest greetings to SWOSDA membership. In a season of disappointing yet ever-so-wise decisions to cancel dances due to inclement winter weather, we can count on one thing, that weather patterns will change again for the better.

Thank you SWOSDA dance hosts. SWOSDA dances are extra special dances because of your member's warm hospitality and special event details that make everyone feel welcome.

We are appreciative that four more clubs are making plans and ensuring a warm welcome to everyone in the coming months. Thank you SWOSDA Executive members, dance programmers Jeff and Andrea, and each SWOSDA dance caller or cuer, keeping us all entertained and winners on the dance floor.

As our Executive continues to focus on collaborating but not duplicating resources with the Ontario Federation and Canadian Society, the best possible resources are available to suit the individual needs of each club.

Please review this month's Executive News that outlines some of Executive's work and includes direct links to information and resources.

Stay connected with your SWOSDA executive members.  
We appreciate your ideas and questions.

With kindest regards,

Tom & Linda Charlton

**Hosted by  
Village Square Dance Club  
Waterdown**

Our monthly SWOSDA dance was held Saturday January 24, 2026, hosted by Waterdown Village Squares at St James United Church in Waterdown. We were fortunate with a sunny day considering the many snow falls this January.

Bob Beck started the afternoon off with the Round dancing at 1:00 pm. This was followed by a welcome from SWOSDA President and Secretary, Tom and Linda Charlton. Following was an entertaining afternoon of Square and Round dances with host caller Jim Lee and guest callers and cuers Steve Goodman, Jeff and Andrea Priest and Bob Beck. We appreciate the donation of time and talent by all callers and cuers for today's dance.

Waterdown Village Squares did a great job of welcoming us and providing a selection of appetizers and desserts, tea and coffee. The attendance was 61 people and 11 clubs.

We hope to see you all again at our next dance hosted by Silver Streak Squares in Woodstock on February 28, 2026. We will begin with Round dance at 1:00 pm. Next Square dances to follow at 1:30 pm and continuing until 5:00 pm with Round tips mixed in.

## Why English Is Hard To Learn

We'll begin with *box*; the plural is *boxes*  
But the plural of *ox* is *oxen*, not *oxes*.  
One fowl is a *goose*, and two are called *geese*,  
Yet the plural of *moose* is never called *meese*

You may find a lone *mouse*, or a house full of *mice*,  
But the plural of *house* is *houses*, not *hice*.  
The plural of *man* is always *men*,  
But the *pan* is never *pen*.

If I speak of a *foot*, and you show me two *feet*,  
And I give you a *book*, would a pair be a *beek*?  
If one is a *tooth* and a whole set are *teeth*,  
Why shouldn't two *booths* be called *beeth*?

If the singular's *this* and the plural is *these*,  
Should the plural of *kiss* be ever called *keese*?

We speak of a *brother* and also if *brethren*,  
But though we say *mother*, we never say *methren*.  
Then the, masculine pronouns are *he*, *his*, and *him*;  
But imagine the feminine ... *she* *shis*, and *shim*!

## *Remember When...*

### Looking Back at SWOSDA March Bugles - 2026 in ten- year leaps

On a single legal sized page, on Mar. 6, 1966, editor Wally Manning managed to report on dances in London, Sarnia, Seaforth, and Kitchener. Callers mentioned were Ernie Holland, Lawrence Mitchell, Ron Thornton, Frank Burgess, Gerry & Cecilia Lavigne and Johnny Davidson, Clubs mentioned were Princess Elizabeth Club, Stratford Club, Circle 'N Star SD Club, Seaforth Swirl-A-Ways, Exeter Promenaders, Circle 4, and Beaux & Belles. This was all on page one, but if there were other pages I didn't find them.

1976 -We're in the big time now! Tom & Addie Parmenter certainly put that new machinery to working in creating March's Bugle. Green titles and other headings on the white cover front with an executive list on the inner side including their responsibilities and contact info. Doug & Zilla Thibideau included a detailed report of the leaders for the SWOSDA dance hosted by the Calico Cats and Les Greenwood. Other dance leaders were Ken Battram, John & Peggy Wilson, Perry Stuart, Lois & Ed Wise, Denny Howlett; 37 squares turned up. Refreshments for the supper hour were provided by the Calico Cats and was followed by a business meeting. Round Dance Hour was conducted by Lois & Ed Wise. The evening program of square dancing consisted of Ruth Dunn, Denny Howlett and Mack Thompson. Don Fields also included a fine report on the Callers' Clinic Meeting. Other items included in this edition were a map and program list for the next SWOSDA dance in Kitchener, followed by a SWOSDA BASIC move list - 93 pages), KNOW YOUR CALLER, 4 pages of info on dance moves, 10 pages of MAILBAG with club news, club posters and a dancing calendar. Did they forget anything?

1986 – Editors Jim & Eleanor Silcox had made some changes but kept some features e.g. same style cover in green but black accents. Added was the Presidents' Message in which Charlie & Bea Bodfish made some excellent points about pleasing the majority of the membership. **“We consider most of the dancers we have met to be happy, congenial people. They do not expect everything to be done according to their own wishes. If you have constructive criticism, you have every opportunity to become a member of the executive and work to improve our dances.”** Seasonal clippings or thoughts for the month are increasing in use, e.g. The Irish Blessing. (*I hope Dan has included it somewhere in the Bugle.*) Stan & Rugh Melling reported on the previous SWOSDA Dance hosted in London by the Circle T Squares with Host Caller Alex Piggot. Glenn Patterson replaced John Lenart due to illness. Other dance leaders listed were Jim & Lerine Gillespie, Len Rowe, Ron Fleming, Peter Chandler, Lois Wise, Hilda Hibbert, Les Greenwood, George Watson. As before, programs, maps, were advertised for the next SWOSDA dance in Chatham. The Flashback was highlighted at dances in 1973 by Mary Steward. Caller of the month was Les Greenwood. Speakers at Callers Clinic focused on **Ways to keep dancers**. The 5<sup>th</sup> Canadian Square and Round Dance Convention to be held in Calgary was advertised. It was called Saddle up for Calgary and offered some of the activities available to wet interest of the dancers. Four pages of club reports reinforced the idea that you find some really good times if you check out the Dance Calendars.

1996 – In the President's message, Ed and Lois Wise urged dancers to step forward and work with them, on the SWOSDA executive. This is a familiar message as a complete slate of officers is needed to deal with issues that come along, in order that proper decisions are made. Mary Stewart's Flashback focused on 1984,

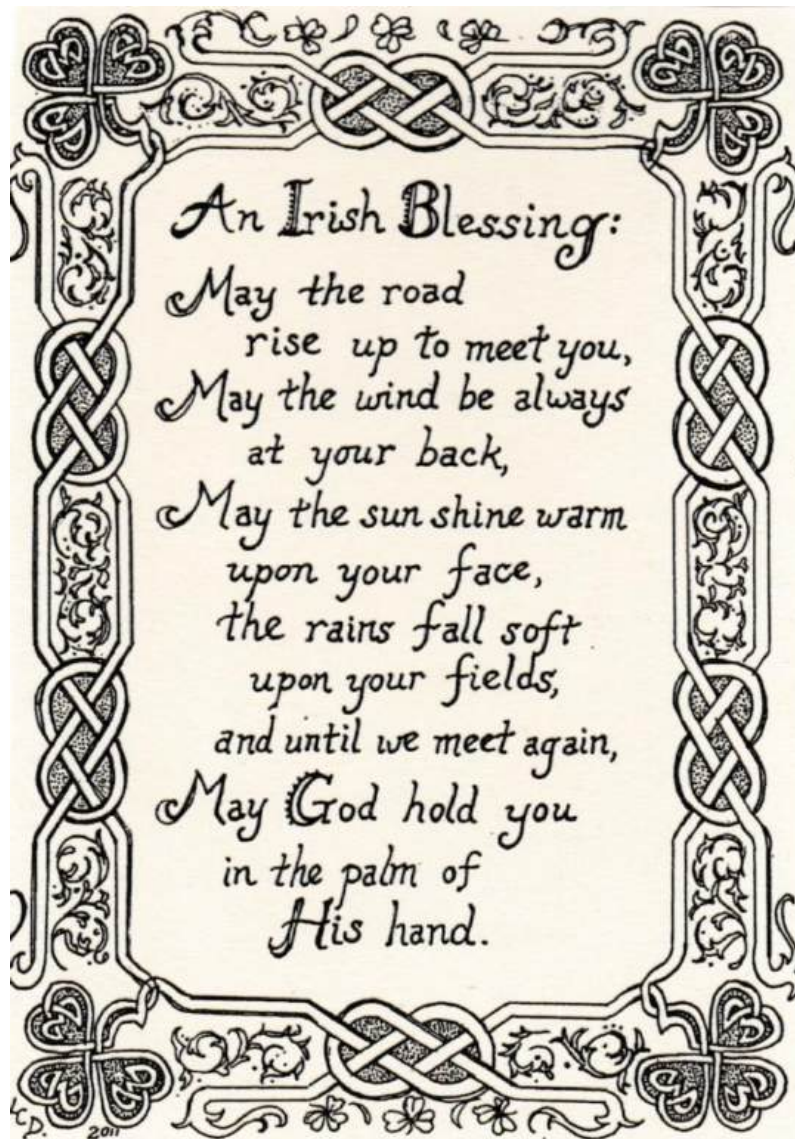

when it seemed that many dancers and callers were on the road. Mary Brennan described the February 1996 SWOSDA dance as one with good weather, good location (London), good host club, good callers and cuers and a great group of dancers. Lighthouse Squares celebrated their 33<sup>rd</sup> season of dancing. Nancy Dolson wrote a very amusing article for Callers Clinic. ( *If you're curious let me know and I'll send you a copy.* ) A Sewingly Yours page had been submitted by Marilyn Bond. Editors John & Irene Bullock had saved a few lines to inform us of an increase in the Bugle subscription Pick up -\$8 and by Mail \$14.

*I dropped a lot of names of clubs and dance leaders in the hopes that it would bring back memories of interesting items involving them that can be shared in the SWOSDA albums. Just drop a message with pictures and/or words to me at [familypatchwork.dd@gmail.com](mailto:familypatchwork.dd@gmail.com). Please include your name so I can give you credit for it.*

*Submitted by Dorothy Dahm, current SWOSDA historian*

*Wishing you all many good days to come.*

*I hope to come out to a few dances, to make contact with friends.*

## The Introduction of Square Dancing in Southwestern Ontario

In 1954, Harold Harton of the Community Programs Branch, Department of Education, Toronto, held his second Summer School of Modern Square Dancing at Geneva Park in Muskoka. Some of his dance literature was mailed to the Recreation Director in Kitchener who, in turn, gave it to Kay Sehl because of her interest in square dancing. Kay and her sister, Teresa White, enrolled at the school and soon learned that modern square dancing was far removed from the old-time "hillbilly" style.

From this initial start, the Kitchener Recreation Commission, under the chairmanship of Mr. Pete Christilaw, invited Harry and Kay Sehl to organize a group of dancers. An executive was appointed at the first meeting with 13 dancers in attendance. Harry and Kay Sehl were the first presidents of the club known as "Couples 'n' Squares" Dance Club. Plans were proposed to hold a dance every other week at the Victoria Park Pavilion and within weeks this hobby became so popular that membership was closed at 981 couples. A waiting list of over 40 couples was held over until the following year, 1955, when the second club, known as "Swing and Whirl", was organized.

Enthusiasm for square dancing soon spread and, over the next few years, many clubs were organized in the surrounding towns and cities. Owing to the limited number of callers and leaders, the need for a "Callers' Clinic" was apparent and workshops were held in London, Stratford, Woodstock and Kitchener at which Mr. Harton gave freely of his time and guidance.

## Centennial Beavers - London

Awww, the beautiful month of February has arrived, with the special day of love as our big day! Square Dancers love gathering on these days and it shows in their wearing of Red & White outfits or celebrating with cinnamon hearts or chocolates.

It's also a month when retailers gouge you for roses. Ed never did this for 15 or 20 years. The people at his work could not believe he never bought roses for his wife. Well, they hounded him for days and days until he actually brought a bouquet of fabulous roses. When he got home, I was in the kitchen making supper and he handed me the wrapped flowers and said "Happy Valentines Day"..... when's supper gonna be ready? I finished making and plating his meal, all the while staring at the package. Something in the pit of my stomach said ' This ain't right, why would he do this'. Then it hit me like shot in the dark. He must be having an affair...it's a guilt gift. Of course he denied it and long story short.

I thanked the cashiers then told them all about my thinking he was being unfaithful.....he was the talk of the store for weeks!

Be Good to your Valentine.

Club news is that we finally got our name badges so we are getting ready for our first FROSH DANCE on Sat March 14th from 2 to 430 at Richards Memorial United Church. It's our favourite dance and so much fun. You don't want to miss it!

### Country Square – Rostock

Once again Mother Nature has fouled our attempts at our weekly square dance meeting. So far, we have only been able to meet once since our last dance mid-December.

We had plans for a tropical night in January but due to stormy weather it was decided to skip tropical night and all stay home safe and sound. Time will tell if the ground hog predictions are right for this year. I saw a sign on the side of the highway the other day... it said they were looking forward to mosquito bites and sun burn! Hopefully we have an early spring in 2026. Weather permitting, we plan on dancing Feb 3rd.

Our next fun night is a Valentine's dance on Feb 17th with finger foods. I know by then we will all be looking for some fun to help break up the winter.

Joanne Foster

### Denim'N Lace - Flesherton

We finally had an evening of dancing after numerous weather cancellations. Caller Jim had to get us on track as there were lots of cobwebs to clear after a month and a half without dancing.

President Shirley gave an update to the attentive members. We were just shy of 4 square present and delighted to be back.

Next dance is our Valentines event.

Cheers,  
David

### Guys n' Dolls Square Dance Club – Kitchener

All is well with Guys 'N Dolls in Kitchener these days. We have had a few cancellations lately due to our Canadian winter, and look forward to getting back this Friday, Feb. 6th. We'll all be wearing red to celebrate Valentine's Day.

We've received information from our SWOSDA Presidents Tom and Linda Charlton regarding the proposed changes to the Constitution and Bylaws. These will be voted on at the AGM. Included in this information, was a link to several videos which will be helpful advertisements for membership purposes.

We attended the SWOSDA monthly dance in Waterdown in January, a good turnout for such a cold day. Great calling and cueing, a wonderful greeting, and absolutely scrumptious refreshments; thank you Waterdown! Guys 'N Dolls will do our best to share the same as we host SWOSDA next January!

In January, our dancers were happy to welcome SWOSDA Vice Presidents John Stemmler and Norma Khan. They brought greetings from SWOSDA Executive. John gave our dancers an overview of what SWOSDA is all about, and encouraged members to attend the monthly dances, where they can dance to the skills of many different Callers and Cuers.

While we are small in numbers, our enthusiasm is wonderful. Our newer dancers attend regularly, and our caller Dan Weatherby welcomes all levels from Basic to Plus, and a couple of Rounds.

Our location is 121 Westmount Rd. E in Kitchener, where we dance every second Friday. We would love it to have you join us.

Due to weather conditions, please check with our Presidents Paul and Peggy Senior to be sure we're on for that night. They can be contacted at [pstimes2@gmail.com](mailto:pstimes2@gmail.com).

See you on the dance floor!

**Sunday January 11<sup>th</sup>** We hosted our Jive Clinic in St. George, ON. It was originally planned for Cambridge but with the city ban on parking due to the weather, we had to make a change. We were so glad to be able to move our dance to this new hall - thanks to one of our member couples, Ken and Rose Marie Robinson. The registration was great; we had a dozen couples for this very informative and fun afternoon of exploring Jive.

And of course, after limited dancing throughout the holidays, there was great social & tasty refreshments, as well.

Be sure to join us for our **Bolero Clinic Sunday March 1<sup>st</sup>**. [Registration](#)

### ShadowLight Dance Club - SW Ontario

Greetings from the ShadowLight Dance Club... We hope you are keeping warm and staying healthy!

This has been quite the Winter! We cancelled a number of dances in January for weather related storms and parking bans put in place by the City of Cambridge. These actions caused us to look around for a new location to dance in that actually has a parking lot and we found one! Hooray! No more cancellations for City parking bans. In fact, we have found two locations that we can use that have their own parking. One in Cambridge and one in St. George. Both have very nice halls and good floors for dancing on.

**Our Jive Clinic on January 11<sup>th</sup>** was held in St. George and we had a dozen couples join in. It was a great event and all those who attended indicated it was a fun afternoon of dancing. The social was also wonderful and the food was pretty good too.

**SWOSDA on January 24<sup>th</sup>** in Waterdown was also a great dance. We had about 6 squares in attendance and the hosts, Waterdown Village Squares, did a fine job with their hospitality and refreshments. Andrea and I had

a good time calling & cueing and we even got in a few dances! Even the snow held off so that, too, was a bonus!

### [Sound Steppers - Owen Sound](#)

Hello fellow dancers and Friends. Mother Nature has issued us some very stormy days and nights so, we up in the north have been affected by this a lot and we have had dance nights canceled. But everybody's favorite groundhog did not see his shadow so which means we are hopefully in for an early spring so we are all looking forward to that.

Our next specialty dance for February will be our Valentine's dance night on Thursday February 12th at 7pm. So come on out in your red and white and join in the fun for a very special evening of dancing, Fellowship, and fun themed games and treats.

Our club has had a great turnout every week (weather permitting) We have had many visitors come from Flesherton Denim and Lace club.

We dance every Thursday night at 7:00 p.m at our venue the Harmony Center at 890 4th Avenue East in Owen Sound (around the west side of the building). Everyone is welcome

For pictures, videos and updates of coming events for our club check out our Facebook page.

Take care of each other and always be kind to one another. Keep on dancing!! It's good for your mind, body and soul.

A journey with dancing friends is measured in smiles.... not miles.

### Strathroy Swinging Duos

Despite missing a dance due to weather, our Club's members have been dedicated to attend dance nights throughout the very cold and snowy January. Square dancing sure beats sitting all evening and watching television, which is one inactive other idea!

Every Club goes through similar challenges at this time of the dance season. These mainly include the weather. The Club might cancel a dance evening due to poor driving conditions (and rightly so!). Also, some members elect not to drive at night if the forecast calls for any amount of snowfall. Of course, revenues decrease when the number of squares decreases accordingly, making it more difficult to cover expenses. With the amount of growth that we have had since the last ***Introduction to Modern Square Dancing program***, our Club has been fortunate to be able to cover expenses on those lower revenue nights. However, many Clubs in SWOSDA are not as fortunate since they have not made 'membership growth' one of the *key priorities every year*.

So, if your Club is experiencing a low membership count or, worse yet, a decreasing membership due to many factors including health, *now is the perfect time of the year to plan for growth*.

Our Club, the Strathroy Swinging Duos, is doing exactly that in order to offer an Introduction program again in the Fall. Our first small step is to offer a "Family and Friends" night in April which is geared to a very enjoyable dance evening with a view to bringing some folks back for our Introduction program. Each of our members strives to bring at least one or two family members or friends to that event.

Allowing a club to "fold" (ie. shut down) is not an option for those who enjoy square dancing. EXISTING is the goal! There are many people that every Club can approach for help or ideas for growth, starting with the SWOSDA Executive Members.

Remember to smile at everyone you meet!

Tom Kahnert,  
Strathroy Swinging Duos Publicity.

### Thames Valley Dance Club – Woodstock

January has come and gone, along with a winter thaw, many winter storms with school and event cancellations, lots of cold days and even colder nights. BUT... have you noticed the days getting longer?

Have you felt the warmth of the sun through a window? Groundhog Day on Feb 2<sup>nd</sup> signals the midway point of the winter season, which makes us as close to the coming spring as we are to last fall, no matter what the overgrown rodent says! These are all positive signs that spring will be here before we know it. We just need to persevere a few more weeks! We can do it!

Our weekly square dance is a brilliant way to help pass the winter! We returned to dance after our Christmas break and were fortunate to be able to dance 3 of the 4 Mondays in January. We held our Tropical Dance on Jan 12<sup>th</sup> – lots of bright, bold colours were worn, along with floral leis, the hall was decorated, and everyone had a great time!

We were set to host a large group of young 4-H members on Jan 19<sup>th</sup>, but this was the week Mother Nature suggested we stay home. And it is a good thing we did - the weather was nasty that night. We have rescheduled their visit to Feb 2<sup>nd</sup>. We are looking forward to having their young energy and enthusiasm in the hall.

February will have us celebrating Valentine's Day on the 9<sup>th</sup>. March 2<sup>nd</sup> is "Bring a Friend Night", which is always good fun. Our St. Paddy's "Pie Night" is on March 16<sup>th</sup>, have a look at the flyer included in the Bugle for details on this dance, and make sure you clear your calendar so you can join us! We look forward to all of these dances and the others in between. Feel free to join us on a Monday night.

We are at the Ingersoll Pipe Band Hall, 108 Wonham St. S. on Mondays from 7-9pm.
